

Last year we asked

What do you think of CATSINaM?

67 members responded

And here's what you said

98%

of you would recommend us to other nurses or midwives. **Thanks!**

80%

said their experience with CATSINaM was good or excellent. **Hooray!**

You said you'd like us to focus on

NOW HIRING

Supporting recruitment and retention of nurses and midwives

Strengthening our Advocacy

Elevating our profile

You wanted more training in

Leadership

Cultural safety

Mentoring

78%

said they got great value from the stuff they get from us

89%

trust what we have to say

Generally

Two-thirds

were satisfied with their current workplace

A quarter

found work/life balance an issue

Barriers to becoming a nurse or midwife were things like:

- Cost
- Lack of support
- Mentoring
- Lack of flexibility

Sadly levels of racism are high in the workplace from:

Colleagues	55%
Managers	34%
Clients	33%

So, what are we going to do with all this?

Work even harder for you!

Thanks!

for helping set our future directions.
