Q6) What was your pathway into nursing or midwifery? How did you get to where you are today?
With a lot of hard work and not giving up

Q7) Do you believe our nurses and midwives are role models for our community? If so, do you think it is a priority that we increase our workforce? Why? They play a very big part of our community engagement they make our people feel like they matter and not just another aboriginal getting pregnant, and also making sure they get the health care that is important to the condition they have.

Q8) Anything else you would like to add?

The more nurses, midwives and Aboriginal health workers the better so that our people get the bet delivery of care and the follow-up that they need, to live a longer and healthier life to carry on the Aboriginal culture. Also that no has to be treated the way myself and my family were treated when I was growing up.
